Embrey Mill Park

Soccer, football, field hockey, flag-football, and lacrosse are all situated in the heart of Stafford. The stately Embrey Mill Park is conveniently located near the county's major thoroughfares, shopping centers, restaurants and hotels, making it the ideal stop for teams and their families. The impressive multi-sports complex contains eight fields — six synthetic, lighted rectangular fields and two lighted grass fields, and a newly built practice field.

The Potomac River

The water is open for any sports adventure. With creeks and tidal tributaries of the Potomac River, many sports have caught wave to our hidden gems on the river. Kayak fishing, specifically for bass, have put Stafford on the map as a hidden "fish town" and it has become the epicenter for snakehead fishing on the East Coast.

FredNats Ballpark

The FredNats Ballpark is a multi-purpose stadium located in the Stafford region. The park boasts 5,000 seats, a 300-seat club facility, and 13 suites. The ballpark is home to the Fredericksburg Nationals, a minor league baseball team of the Low-A East and an affiliate of the Washington Nationals. The stadium was built in 2021 and provides a great location for championships and pairs well with area diamonds for large tournaments.

Jeff Rouse Swim & Sports Center

Swimming, diving, water polo, and other water sports can all be found in this 76,000-square-foot, world-class Olympic-sized sports complex. This facility is equipped with a 50-meter by 25-yard competition pool with seating for more than 800 spectators and movable bulkhead, an additional 25-yard recreation pool, and a warm-water wellness pool.

The Gauntlet Golf Club & Augustine Golf Club

The Gauntlet Golf Club and Augustine Golf Club are premier golf courses with turn-key services, and on-site restaurants and bars, which provide beautiful atmospheres for any tournament.
