Stop 1 *x♥x♥*

BRUNCH AT THE GROUNDS BISTRO

Nothing sets the tone for romance quite like brunch for two on a sun-drenched patio. Begin your morning at The Grounds Bistro, coffee or mimosa in hand, with your favorite person by your side. Dining solo? This cozy spot is the perfect backdrop for a serendipitous meet-cute—because every great love story has to start somewhere.

Stop 2

STROLL THROUGH CHATHAM MANOR

Chatham Manor offers a timeless setting, with sweeping views of the Rappahannock River and flower-lined paths that make you want to run in your ballgown. Whether you're wandering hand-in-hand or simply soaking in the beauty around you, it's the kind of place that radiates 'final chapter wedding scene' energy.

Stop 3

WINE TASTING AT POTOMAC POINT WINERY

Sip award-winning wine at Potomac Point Winery, where every corner feels like a scene from a romance novel. Their Mediterranean-style courtyard practically begs for slow dances and whispered confessions. Grab a bite at their full-service restaurant, where seasonal dishes pair perfectly with every pour.

Stop 4

SUNSET AT AQUIA LANDING

As the sun dips low over the water, Aquia Landing transforms into a scene worthy of the final pages of a love story. The golden light dances across the river, the breeze carries just a hint of salt and serenity, and everything slows down. Whether you're watching the waves hand-in-hand or reflecting quietly on your own chapter, this peaceful shoreline is the perfect place to end the day—or begin something new.
